

# The Public Safety Group

## Customer Service

Good customer service skills are critical for all public safety communications professionals. Today it is not good enough to be technically competent. You must also provide a high level of service. This three-week course will teach you how to provide great service when handling difficult callers, and how to increase the level of service you provide each day

### PREREQUISITES:

Public Safety Communications Experience

### BENEFITS OF TAKING THIS COURSE:

After taking this course, you will understand:

- Who are your “customers?”
- How to provide the highest level of service.
- The importance of providing high levels of service.
- How to provide great service when handling difficult callers.

### WHAT YOU WILL RECEIVE:

- The ability to interact with your peers – discover common problems – find out what is working for them – share information and materials – build a support network of friends in like positions.
- One-on-one mentoring – feedback and assistance from your instructor as you learn great customer service skills.
- Certificate of completion from the **Public Safety Group** awarding **8 training hours** upon successful completion of the course.
